"Agreement" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"Chief Procurement Officer" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"Services" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"Subcontractor" or **"SubContractor"** means any person or entity with whom Contractor contracts to provide any part of the Services, of any tier, suppliers and materials providers, whether or not in privity with Contractor.

"Using Agency" shall mean the department of agency within Cook County including elected officials.

b) Interpretation

- i) The term **"include"** (in all its forms) means "include, without limitation" unless the context clearly states otherwise.
- ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

- Exhibit 5 MBE/WBE Utilization Plan
- Exhibit 6: Economic Disclosure Statement

ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONTRACTOR

a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) Deliverables

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

c) Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its SubContractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Using Agency may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Contractor and SubContractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women Owned Business Enterprises Commitment**

Contractor shall reflect any such credits on its invoices and in the amounts it invoices the County.

ARTICLE 6) DISPUTES

Any dispute arising under the Contract between the County and Contractor shall be decided by the Chief Procurement Officer. The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Contract provision(s) to the Chief Procurement Officer. Upon request of the Chief Procurement Officer, the party complained against shall respond to the complaint in writing within five days of such request. The Chief Procurement Officer will reduce her decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the Chief Procurement Officer will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, unless a notice is issued by the Chief Procurement Officer indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer.

Notwithstanding a dispute, Contractor shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

**ARTICLE 7) COOPERATION WITH INSPECTOR GENERAL AND COMPLIANCE
WITH ALL LAWS**

The Contractor, Subcontractor, licensees, grantees or persons or businesses who have a County contract, grant, license, or certification of eligibility for County contracts shall abide by all of the applicable provisions of the Office of the Independent Inspector General Ordinance (Section 2-281 et. seq. of the Cook County Code of Ordinances). Failure to cooperate as required may result in monetary and/or other penalties.

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or Subcontractor shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

ARTICLE 8) SPECIAL CONDITIONS

a) Warranties and Representations

In connection with signing and carrying out this Agreement, Contractor:

- i) warrants that Contractor is appropriately licensed under Illinois law to perform the Services required under this Agreement and will perform no Services for which a professional license is required by law and for which Contractor is not appropriately licensed;
- ii) warrants it is financially solvent; it and each of its employees, agents and Subcontractors of any tier are competent to perform the Services required under this Agreement; and Contractor is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated in this Agreement;
- iii) warrants that it will not knowingly use the services of any ineligible Contractor or Subcontractor for any purpose in the performance of its Services under this Agreement;

- iv) warrants that Contractor and its Subcontractors are not in default at the time this Agreement is signed, and has not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County;
- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

In addition to the foregoing warranties and representations, Contractor warrants:

- (i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
- (ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

d) **Business Documents**

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) **Conflicts of Interest**

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

- v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.
- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

**ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION
AND RIGHT TO OFFSET**

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.
- ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:
 - (a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

- (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
 - (d) Discontinuance of the Services for reasons within Contractor's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
 - iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
 - v) Failure to comply with Article 7 in the performance of the Agreement.
 - vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Contractor's compensation under this Agreement;
- vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

In connection with performance under this Agreement, the County may offset any excess costs incurred:

- i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- ii) if the County exercises any of its remedies under Section 9.b of this Agreement;
or
- iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

ARTICLE 10) GENERAL CONDITIONS

a) Entire Agreement

i) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

ii) No Collateral Agreements

Contractor acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Contractor to enter into this Agreement or has been relied upon by Contractor, including any with reference to:

- (a) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement;
- b) the nature of the Services to be performed;
- (c) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement;
- (d) the general conditions which may in any way affect this Agreement or its performance;
- (e) the compensation provisions of this Agreement; or
- (f) any other matters, whether similar to or different from those referred to in (a) through (e) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Contract Amendments**

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for amendments which are made in accordance with this Section 10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

i) Independent Contractor

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Contractor must perform under this Agreement as an independent Contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.
- ii) Contractor is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.
- iii) The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Contractor.

j) Governmental Joint Purchasing Agreement

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this contract.

In the event that other agencies participate in a joint procurement, the County reserves the right to renegotiate the price to accommodate the larger volume.

k) Comparable Government Procurement

As permitted by the County of Cook, other government entities, if authorized by law, may wish to purchase the goods, supplies, services or equipment under the same terms and conditions contained in this Contract (i.e., comparable government procurement). Each entity wishing to reference this Contract must have prior authorization from the County of Cook and the Contractor. If such participation is authorized, all purchase orders will be issued directly from and shipped directly to the entity requiring the goods, supplies, equipment or services supplies/services. The County shall not be held responsible for any orders placed, deliveries made or payment for the goods, supplies, equipment or services supplies/services ordered by these entities. Each entity reserves the right to determine the amount of goods, supplies, equipment or services it wishes to purchase under this Contract.

l) Force Majeure

Neither Contractor nor County shall be liable for failing to fulfill any obligation under this Contract if such failure is caused by an event beyond such party's reasonable control and which is not caused by such party's fault or negligence. Such events shall be limited to acts of God, acts of war, fires, lightning, floods, epidemics, or riots.

ARTICLE 11) NOTICES

EXHIBIT 1

SCOPE OF SERVICES

Section B: Executive Summary & Organization Chart

First Defense Legal Aid (First Defense or FDLA) began as a program of Chicago Commons in 1995. Its core purpose was to maintain a 24-hour Chicago Police Custody Hotline through which any arrestee in Chicago police custody could be connected with an on-call attorney who would provide free legal representation at the police station. First Defense became an independent corporation in 2002, and a 501(c)(3) organization in 2003. Although the organization has expanded to provide other services, the hotline still remains a foundation upon which poverty-stricken Chicagoans, mostly young and of-color, depend for fairness and justice in custodial interrogations.

Broadly, FDLA helps realize the promises of the 4th, 5th, and 6th Amendments to the United States Constitution through direct representation and education. First Defense's 24-hour Chicago Police Custody Hotline helps level the playing field. At the police station, First Defense attorneys help the client understand and assert their rights, gather information about arrest and detainment, document evidence of police brutality, advocate for medical treatment and diversion, and inform family throughout the process. First Defense's efforts alleviate some of the mental anguish and disenfranchisement that people experience with loved ones in police custody and help utilize alternatives to incarceration for some of the most vulnerable.

Secondly, First Defense's Street Law initiative conducts Know Your Rights (KYR) outreach, education and leadership development for breaking the cycle of crime and disenfranchisement, preventing coerced confessions, accessing diversion opportunities, and building the hope, skills, knowledge and accountability necessary for a lasting reduction in recidivism. The Know Your Rights workshops promote the Chicago Police Custody Hotline and educate Chicagoans on the power of their 4th, 5th, and 6th Amendment rights. The presentations focus on (1) how to assert your rights at home, on the street and in the police station; (2) what you can do if you feel that the police have violated your civil rights; and (3) the importance of social responsibility, civic engagement, and minding the law.

Peer education and leadership are key to develop sustainable knowledge, skills, and hope in communities. In our anti-recidivism peer education program, twenty-five people who have recently been detained in Cook County are recruited, trained and engaged as KYR leaders who will conduct KYR workshops and empower 2,500+ people with juvenile and criminal records

with knowledge on how to interact with police during a stop. These KYR leaders can avoid recidivism by knowing and accessing their rights when in police contact, and offering KYR workshops to their local anti-recidivism service providers. Further, the 2,500 workshop participants they reach make up a second level of impact for interrupting recidivism. In some cases, the peer educators teach through multimedia such as CANTV, canvassing, murals, and talk radio cameos. Their reach is expansive through the multimedia education campaign; more than 25,000 at-risk Cook County residents will access this critical information because of the program, and be prepared to prevent their own and their loved ones' recidivism by accessing FDLA upon arrest.

The KYR leaders will be members of the North Lawndale/Little Village and Englewood communities, and make up a west-side and south-side team, each led by an experienced First Defense KYR organizer. Two First Defense KYR Education Campaign Organizers will recruit, train, and support the two teams in North Lawndale/Little Village and Englewood. The KYR Education Campaign Organizers will be managed by the Street Law Coordinator and the Executive Director will oversee the entire project. Media and Marketing VISTAs (2 full-time federally sponsored Volunteers in Service to America) will support the participants' work to design and disseminate educational multimedia to educate their communities en masse.

This First Defense staff team has achieved successes implementing similar programs. First Defense is currently in its 3rd quarter of the 2nd year of a Cook County JAC anti-recidivism grant program, and has produced a 0-5% recidivism rate among participants. The proposed program will be the third year of KYR peer education programming geared toward recidivism prevention. After proving wildly successful in the first year and a half, we propose an increase in the number of stipends each peer educator can earn from 10 to 19 in the third year. Another program under our street law initiative is the "Public Safety for All" program, aimed at intervening in the cycle of rights violations in the first stages of a potential case—police stops and arrests- and violent crime among 10 Englewood youth identified as at high-risk of shooting or being shot.

The chart below illustrates the organizational chart for this program, discussed in detail in the proposal. Dotted lines indicate collaboratory relationships, solid lines indicate supervisory relationships.

Section C: Description of Problem and Target Population

For the past decade, the recidivism rate has hovered around 50%, and billions of dollars have been spent on incarceration. In Chicago's most vulnerable communities, thousands of individuals spend their lives trapped in the revolving door of the juvenile and criminal justice systems. Once in the system, the likelihood of contact with law enforcement significantly increases. Lack of knowledge and access to counsel during police contact are often key factors in a stop leading to an arrest, then a charge, a finding of probable cause, and finally a conviction.

First, a lack of knowledge about invoking one's rights and awareness about how to access counsel increases vulnerability to waivers of rights. Police overreach and reliance on the waivers lead to a climate of distrust of law enforcement. Street Law workshops with court-involved youth in the Englewood and North Lawndale/Little Village communities indicate that almost every child in the audience has been or knows someone who has been a victim of police abuse. More specifically, the police abuse they disclose include beatings, having drugs planted on them, and being verbally abused and degraded.

At workshops, many of these youth, as well as adults who have criminal records, discuss that they feel as though the "[criminal justice] system" is "out to get" them and that it is just a matter of time before they are picked up by the police and end up incarcerated again, regardless of whether they break the law. This leads to a culture of distrust of the police and of the system as a whole. A Chicago Tribune article entitled "More Police, More Arrests, More Fear" discussed that "negative run-ins with the police have created a culture of distrust," and that people feel "disrespected, abused, and alienated" by the police. The article recognized that in order for crime to go down, the culture of distrust must be addressed.

Secondly, lack of knowledge, hope and access to counsel while in police contact increases violent crime, another recidivism factor. The VERA Institute for Criminal Justice

Reform, the procedural justice research of a team of Yale University professors, and MacArthur Violence Risk Assessment are a few examples of studies that find an association between physical abuse, police overreach, and violent crime.

Even when police follow the rules, people in poverty are disenfranchised from the protections within the criminal and juvenile justice systems when they are made to believe there is no choice but to waive their rights during police investigations. Under the current framework, *a public defender can only be appointed in court - after the most pressing first 48 hours when most people in custody are convinced to waive their right to an attorney, their right against unreasonable search and seizure, and their right against self-incrimination.*

In order for the recidivism rate to decrease in Chicago's communities, the members of those communities must be equipped with the tools necessary to navigate police encounters in a safe and peaceful manner and establish themselves as community resources. First Defense seeks to reduce all of the risk factors for recidivism through its KYR campaign with peer educators at the forefront.

First Defense's KYR Peer Education program will target individuals with juvenile and criminal records who live in North Lawndale/Little Village and Greater Englewood, two of Chicago's most resource-deprived and socioeconomically disadvantaged communities. Indeed, these communities have both the highest rates of police encounters and the highest recidivism rates.

Developing an identity as a KYR educator can allow individuals to experience personal power. Police encounters are the entry point into the criminal justice system. Equipping individuals who have a history of traumatic and violent experiences with the criminal justice system will reduce recidivism by serving as an intervention and a way to experience power,

respect and protection through peaceful means. Through First Defense's Street Law project and KYR Campaigns, Chicagoans who are at high risk of becoming victims or perpetrators of violence are part of a movement for equal access to constitutional rights.

First Defense has worked with thousands of clients in this population in our 20 year history, and served thousands more through our Street Law programs. Our highest-risk Know Your Rights Leaders have reported great empowerment and genuine surprise when they have avoided arrest by applying their knowledge from the training during the workshops. Through numerous anecdotes, we have documented that staying calm, having our wallet cards on hand and invoking one's rights can lead to release after a brief police encounter. Effective self-advocacy can help avoid arrest, charging and processing. It can be a turning point towards civic engagement and away from choices that increase one's risk of recidivism (such as committing crimes and not accessing supportive community-based services).

Section D: Proposed Program and Implementation Schedule

Developing 25 people returning from detention as peer educators (KYR Leaders) is an asset-based strategy, recognizing participants as community resources and incentivizing them to get acquainted with anti-recidivism supports in their communities as they offer KYR workshops. It includes a civic-engagement strategy, re-integrating those returning from detention into powerful, positive community roles. Training for Trainers will involve motivational interviewing to develop the hope that one's rights can be accessed and are worth invoking.

The program staff for this initiative consists of members from our current staff team. All of the staff members have the experience, relationships, and training needed to carry on the third year of this program. With success so far in the first three quarters of year two (0-5% recidivism compared to the 20% or less anticipated), the program plan and staffing model has proven successful. With the same plan intact, no planning period will be needed. The first step will be recruitment of 25 system-involved Chicagoans on the south and west sides, and many have already been identified by this year's anti-recidivism peer educators (KYR Leaders) and program staff.

First Defense's Know Your Rights Organizers Charles Jones and Jasmine Davis will directly facilitate the program by recruiting, training, and evaluating the peer educators. Our staff will target high risk youth and young adults with North Lawndale/Little Village and Greater Englewood, two of the most underserved communities in Chicago. Recruitment will happen through street outreach and by identifying leaders who are passionate about Know Your Rights information and its connection to avoiding recidivism in our KYR workshops in spaces where system-involved youth and adults are already participating. This will include organizations such

as Cook County's Evening Reporting Centers for juveniles, where we currently offer weekly workshops to North Lawndale Youth, and Teamwork Englewood, where we currently offer weekly workshops for system-involved youth, as well as other collaborating organizations. Due to high police contact, this population is at high risk of recidivating as explained above in section C.

Peer educators for this program will go through an extensive engagement process in order to ensure their commitment to this anti-recidivism program. Enrollment will involve a written commitment to the program requirements and a training-for-trainers process. After each trainer has received our lesson plans and observed our Know Your Rights curriculum being delivered by experienced trainers in workshops and outreach, they will then go through training and co-facilitate the lessons with a volunteer lawyer for optimal clarity and support on the five key legal points for what to do when you are stopped by police. They will then be ready to schedule and deliver interactive workshops at partner organizations, other community programs serving system-involved people, and conduct street outreach in their communities. The 25 KYR leaders will conduct 10 workshops with at least 10 participants each, empowering 2,500 people with juvenile and criminal records with knowledge about what to do if they are stopped by police and how to actually access their Constitutional rights. In some cases, as alternatives to workshop delivery, leaders will earn stipends for outreach and education activities that will reach a greater number of their community members, such as tabling at an expungement fair, speaking on a community radio station, or conducting house or barbershop meetings to distribute know your rights posters designed by the group reaching 25,000+.

At monthly meetings, Leaders will debrief, hone their skills as KYR Leaders, and inform new, relevant materials for promoting KYR information in multimedia (radio PSAs, CANTV,

etc) under the management of the Street Law Coordinator. As needed, the plan will be adjusted as their leadership influences implementation. They will meet more bimonthly with their team members and organizers.

Charles Jones, Know Your Rights Organizer and Jasmine Davis, Program Coordinator/Know Your Rights Organizer, will work directly with program participants. With additional hours and a dual role on the project, the Program Coordinator/Know Your Rights Organizer, Jasmine Davis, will also be responsible for program quality control and compliance. Victoria Crider and Vickie Casanova, Media and Marketing VISTAs, will support the participants' educational media production and dissemination activities. Eliza Solowiej, the executive director will oversee the program.

An implementation schedule is below:

	1 st Quarter	2 nd Quarter	3 rd Quarter	4 th Quarter
Recruitment and enrollment: Identify 12 North Lawndale and Little Village, and 13 Englewood community members with contact with the Criminal or Juvenile systems in the last year as Know Your Rights (KYR) Leaders.	X*			
Training of Leaders: Each KYR Leader completes a training for trainers and demonstrates competency with the content.		X		
Shadowing Attorney: Each Trainer co-presents a workshop with an FDLA attorney and debriefs any questions about the relevant law & process for contacting them with legal questions that come up in future workshops.		X		
KYR Leaders give 10 workshops/each to people with records and anti-recidivism service providers throughout North Lawndale, Little Village and Englewood			X	X

and in some cases deliver peer education in other media such as billboards, resource fairs, or radio in lieu of some workshops, for stipends.				
KYR Leaders attend meetings with their team and organizer to debrief, schedule and document peer ed workshops: Saturdays evenings at Teamwork Englewood, & Thursday Evenings at Westside Association for Community Action. The entire cross-town group meets monthly for ongoing training.			X	X
KYR Leaders distribute Know Your Rights educational media (depending on choice of media, may be a CANTV show, mural, twitter campaign, etc).			X	X

*Some of this year's and last year's leaders will help recruit and orient new leaders.

Section E: Expected Outcomes

GOAL: 25 Know Your Rights Leaders (system-involved peer educators) will distribute materials for promoting 1-800-LAW-REP-4, Know Your Rights information, and facts about criminal law and sentencing. They will avoid recidivism and tool 2,525- 25,000 others in their communities with specific information on how to exercise one's rights when in contact with police.

Objective A: Recruit and train system-involved trainers in Street Law curriculum development and delivery and community outreach, including poverty stricken youth and adults in North Lawndale and Englewood who have been jailed in Cook County or have a history of police contact.

Objective B: Twenty- five participants (Know Your Rights Leaders) reach 100-10,000 people/each with juvenile and/or criminal records with Know Your Rights information, delivering 10 interactive workshops each to other anti-recidivism program participants and staff, plus information in multimedia to a wider audience.

Objective C: Twenty or more participants do not recidivate throughout the 12 months, using their Know Your Rights knowledge plus their network among supportive programs they meet while offering workshops that they may utilize personally.

OUTCOME: Participants and other system-involved community members avoid recidivism and system engagement by knowing and accessing their rights when in police contact while fortifying their local anti-recidivism service providers by offering the resource of KYR workshops.

First Defense will measure the outcomes of this program using the following tools:

Section G: Qualifications of the Proposer

For twenty years, First Defense has directly engaged people at the highest risk of system-engagement and recidivism through emergency representation for people detained at Chicago police stations, and through the Street Law program promoting the hotline where it is needed most. We now have 9 full time and 5 part time people on our staff team. We have a robust team of Know Your Rights education campaign organizers, a full-time ED, interns, an accountant, 3 staff attorneys, plus two more full-time attorneys and law graduates serving through AmeriCorps VISTA. Our staff and Board have diversified with our strategic plan calling for an increased institutional leadership from Chicago communities most affected by our mission. Gang intervention, youth development, policy research, and organizing leaders are now staff and Board members.

We have provided Know Your Rights workshops to Lawndale Christian Development Corporation, Lawndale Christian Legal Services, Little Village Lawndale High Schools, Westside Ministers Coalition, Westside Health Authority, Westside Holistic Leadership Academy, Youth Outreach Services, Cardenas Elementary School, YMCA, Rudy Lozano Leadership Academy, CeaseFire, Dvorak Technology Academy, North Lawndale College Prep High School, Central States SER, Enlace, Lawrence Hall, Carol Robertson Center for Learning, BUILD, Inc. Better Boys Foundation, Farragut Career Academy, Community Organizing on Family Issues, Youth Struggling for Survival, and Hartgrove Hospital, Manley Career Academy, Southwest Organizing Project, Inner City Muslim Action Network, Gage Park High School, Team Work Englewood, Target Area Development Corporation, Southside Together Organizing for Power, Fearless Leading by the Youth, Center for Change, Imagine Englewood If..., Team Work Englewood, The Woodlawn Organization, Metropolitan Area Group for Igniting

Victoria Crider is an AmeriCorps VISTA dedicated to ending systems of inequality in her neighborhood. She has been a southside community organizer since she was 14 years old focusing on issues of education, health care, mental health, police brutality, and resources. List travel expenses by project personnel and explain the purpose of the travel. Also indicate whether the travel is local or out-of-town and explain how costs were determined.

\$3/ trip x 25 KYR Leaders (Peer Educators/ Program Participants) x 19 trips (10 Peer Education Activities, 9 Meetings/Trainings)= \$1,425.

Not personnel, but program participants will be provide bus cards for CTA trips to and from 10 Peer Education Activities (such as doing outreach, speaking on a radio show, or teaching a workshop to another anti-recidivism community based program) as well as 9 monthly (in Quarters 2-4) meetings where they will share food, debrief their work with peers from across their neighborhood and city, and get additional trainings and discussions for ongoing know-your-rights leadership training.

BUDGET CATEGORY – EQUIPMENT

For each budgeted item, explain the need for the item, how it will be utilized in the proposed program, and how costs were determined. Also indicate where the item will be located, who will use the item, and how inventory will be maintained.

\$10/box x 10 boxes/Participant x 10 Participants= \$2,500. KYR Education Materials such as KYR wallet cards and posters will tool the participants with education materials to distribute in their communities. The KYR cards will be given out in workshops and during outreach. They include designs that peer educators in the past two years have helped design. These allow the KYR leaders to post posters in willing businesses and community spaces for constant reminders about how to exercise one's rights when in contact with police.

BUDGET CATEGORY – CONSULTANT / CONTRACTS

Explain the need for the consultant / contract as it relates to the proposed program. List all associated costs and provide a narrative explanation that describes the need. Also explain the method for determining the

associated costs. A narrative corresponding to each submitted "Contractor/Partner Budget Line Item Detail" form must also be included.

None to be charged to this grant.

Appendix II - Budget Narrative Form

BUDGET CATEGORY - OTHER DIRECT COSTS

List other direct cost by category (i.e. communications, event costs, postage, etc.) and explain why they are needed. Also provide an explanation as to how costs were determined, including the method for prorating costs that will be partially charged to the JAC grant.

Participant Stipends: \$40/Peer Ed Activity and Meeting/Ongoing Training x (10 Peer Ed Activities + 9 Meetings/Ongoing Trainings) x 25 Participants/Know Your Rights Leaders = \$19,000

This will incentivize participants for ongoing training, connecting with other peer eds, debrief meetings, teaching workshops to peer programs and other peer education activities like speaking on the radio or doing outreach at an expungement fair to teach attendees about how to exercise their rights when in contact with police.

Meals for Participant Meetings/Trainings: \$200/meal x 9 meals (1/month in quarters 2-4)

This allows us to hold meetings without anyone not being able to focus because of hunger, and allows to participants to build relationships across neighborhood lines by breaking bread.

BUDGET CATEGORY - INDIRECT COSTS

Explain what comprises indirect costs and the method used to determine the allocation charged to the JAC grant.

<9% of direct costs (\$36,725) = \$3,275

Shared admin costs such as attorney HR, and a portion of the increase in hotline bill (that deploys legal aid to police stations) from increase in access to counsel at the police station resulting in their peer education.

Deliverables: Education campaign distributed by system-involved participants in these neighborhoods, *demonstrated by* the multimedia materials promoting the Hotline and Know Your Rights messages including: radio PSAs; TV appearances; and internet publications.

Deliverables: 2,525 + people with juvenile and/or criminal records or a history of Chicago police contact know what to do when they or someone they know is stopped by police, to actually access their rights to counsel and against self-incrimination, demonstrated by observation forms of the leaders' teach-back at the end of training and sign-in sheets from their peer education workshops or other outreach activities. FDLA anticipates this number to be far greater when taking into account the reach of CANTV shows, informational posters designed and disseminated by participants, radio cameos, etc- up to 250,000 or more per peer educator in some cases.

Deliverables: The Chicago Police Department's response to FOIA requests and FDLA's hotline program data show a 100% or greater increase in attorney visits to North Lawndale and Little Village's 10th and 11th police districts, and Englewood's 6th and 7th police districts.

Deliverables: 80% or greater of participants, or at least 20 of the 25, are not charged with any misdemeanor or felony offense in the 12 months demonstrated by Cook County Clerk of the Court's docket/records. If arrested, they access counsel while in police custody who can help prevent waivers of rights and advocate for diversion.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

"Familial relationship" means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as
